“Technoproofing Your Family”

Tuesday, April 8th

6-7 pm

Da Vinci Design

Room 103

This workshop will focus on how parents can preserve quality time with their children in the fast paced world of technology. Parents will discover positive ways to utilize technology yet stay connected through authentic face to face time. Parents will learn tools to encourage their teens to become self-reliant, effective, and safe users of technology.

The discussion will be led by

Fay Van Der Kar Levinson, Ph.D., Child Psychologist

Julia Hobbs, M.A., C.C.C., Communication Specialist

Caroline Packman, Parent in the Trenches
