

Da Vinci Design High School

School Site Council Agenda

Date: April 14, 2016

Time: 5:30 pm

**Meeting Items**

1. Opening: Kate Parsons greeted all in attendance and reviewed agenda for this evening.  
Minutes were reviewed by individuals present.  
Russell asked a question regarding the SAT Prep. "Has the class concluded an SAT Test?" Rey is unsure, but will check in with Jennifer Hou, English 11 teacher.
2. Approval of minutes from the previous meeting  
Approval of the minutes were moved; Russell Stoll second  
100% agreed for approval
3. Visitors' Comments  
Kevin Nolasco and Math support program continues to thrive in his position  
Students will ELL: most were reclassified  
Freshmen completing P-ACT  
Title I funding in favor of Chromebooks: Chromebooks were spread across junior classrooms for SBAC test  
Plan is to add ACT practice prep; SAT practice prep is in implementation, but lacked access to ACT prep.  
Russell asked the reason for P-ACT; P-ACT is purposefully geared toward freshmen.
4. New Business Director, Title 1 Coordinator
  - a. Review SPSA goals and program updates  
Preliminary Estimate for 15-16 (as of October) was approximately \$81,000
    - Carry over from '14-15 of about \$20,000Money allocated from Title I
    - Added Summer School Courses to plan (Math, Science, ELA and History)
    - Technology removed from Title I budget
      - a. Chromebook will be ordered from school tech budget according to the CMO (approximately 4-6 more sets)
    - No other changes made
  - b. Review Final Title 1 Budget and Expenditures for 15-16 for approval  
Motion to approve budget; 100% approval
5. LCAP Update and Feedback Director
  - a. Update, data, and progress on 15-16 plan and expenditures  
Consolidated goals to four categorized goals (Conditions for Learning, Student Support, School Culture & Engagement, and College & Career Readiness)  
Transitioning the 15-16 goals to 16-17 goals  
All EL students move up one at least one level each year and are RFEP'd by senior year  
High Attendance of lower high school level during student-led conferences
