DA VINCI SUMMER PD

This summer we did Project Pitch Panels with industry partners from OTIS, Mattel, LAMetro and others to get feedback and share our Fall Exhibition ideas. Ralph, our graphic design teacher, is presenting his example of one of our proposed deliverables for this year.

GRADE 11 NEWSLETTER

Every month, each grade level at Da Vinci Design sends out a newsletter to families to let you know what's up-and-coming at school and within each grade level specifically. You can always access the monthly newsletters for important dates, project details, content-specific monthly summaries, photos of your kids, and other important information on the DVD Blog. If you ever have any questions about the newsletter or its content, do not hesitate to reach out to Korey Hlaudy.
