# What to expect at DVD for Fall 2021: Safety

# COVID Safety Reminders

## When there is a potential COVID exposure:

We will “contact trace” and find out who is a close contact. If you are a close contact, the nurse will discuss quarantine options (different for vaccinated vs unvaccinated, different if you choose to test during quarantine or not).

- ✕ If they are a close contact, staff and families will be notified.
- ✕ If there was a case in the classroom, but they are NOT a close contact, staff and families will still receive a general notice.

## **Remember: Health information is confidential.**

The school will share all information possible to help keep everyone safe.

We must not make assumptions or spread rumors.

# What can we do to stay safe?

**Self-Screening.** All students and staff will be required to self-screen at home and stay off campus if experiencing any COVID symptoms or if there was a close contact with a COVID positive person in the past 10 days.

- If you are unable to come to campus due to your self-screen, please contact principal and school nurse for next steps including testing options and return to school timelines.

**Wear your mask,** and wear it correctly (over nose and mouth).

**Keep your distance,** especially during lunch while unmasked/eating.

## Going Home Sick / If you are sick at home

Students who have COVID-like symptoms (fever, new cough, vomit/diarrhea, loss taste/smell) at any point during the school day are given a medical grade mask and accompanied to a preselected isolation space where they can remain while arrangements are made for their immediate return home.

To return to school (or if you have symptoms at home) you need to:

- Be symptom free for 24 hours PLUS
- A doctor's note saying your symptoms were NOT COVID OR a negative COVID test

**Free COVID testing is available on campus M-F.**

*\*If you choose not to see doctor or get tested you must stay home for 10 days*

# Let's take a tour!

Reminders:

Thank you in advance for...

- Wearing your mask at all times while on campus
- Respecting social distancing, and maintaining 3ft space
- Limiting time in classrooms (no more than 5 minutes) to ensure that everyone has an opportunity to check-in
- Asking great questions and having fun!
