Experience UCLA. Dive into research. July 21-26, 2019

The UCLA Summer Research Institute is searching for current 9th graders (entering 10th in Fall 2019) to participate in a FREE, one-week residential program on campus. This is an intensive, academic program with a focus on research and writing. Students with a 3.5 or higher GPA should apply!

Maximize your potential.

- Learn the purpose and main components of college-level research
- Gain exposure to core concepts in social science research
- Elevate your writing and learn collegiate writing techniques
- Discover various approaches to research and their roles in solving social justice issues
- Receive effective strategies and tips to apply to and prepare for college
- Tour UCLA's campus, live in the dorms, learn from UCLA mentors, & experience college life

The UCLA Summer Research Institute will immerse you in the importance of research in daily life. This program places an intensive focus on culturally and socially responsive research that examines and addresses social problems, challenges and issues within our communities.
