

CALLING ALL DESIGNERS(PARENTS, STUDENTS, AND TEACHERS)

Along with the move to virtual learning the Diversity Council has created a campaign to help guide the conversation around the family dinner table pertaining to diversity.

Join us for...

@ The Dinner Table

Lets have discussions on topics that include cultural beliefs, cultural norms, family traditions, etc

Each week--once on Monday and once on Wednesday--the council will send 2 driving questions via email to advisory teachers that will be posted in Google Classrooms. We will also post to the DVD blog.

Because we're all home, let's discuss these questions over family dinner. We will also share a survey link for your family to summarize what you've discussed. We will compile the summaries and share them later.

**LET'S GET THE DISCUSSION GOING
@THE DINNER TABLE !**
