# SENIOR PARENT CIRCLE UP

**An evening of connection for families of seniors**

All the upcoming graduation festivities are going to be  
about your student. But what about you?

How are you weathering this transition?

Come join fellow DVD 12th grade parents in honor of  
your work with your Senior over these last 4 years.

We will take time to reflect on the journey to here,  
celebrate wherever the journey is heading and plan for  
next steps in parenting a young adult.

**TUESDAY 5/26 7-8 PM**
