

Grade 11 Student-Led Conferences (SLC)

Overview: SLCs are a time for students, family member(s), and teachers to connect with each other in order to determine how they all can better support students and celebrate their successes.

Logistics:

Step 1: Students will create a slideshow for their SLCs according to the instructions (it's in a Canvas assignment in the U.S. History class). **Their slides are due midnight Sunday 10/11.**

Step 2: Check your appointment time on the spreadsheet ([click here for the spreadsheet](#)). SLC meetings are in Ms. Shier's room (4105) from 2:00pm to 4:02pm from Monday 10/12 to Thursday 10/15. If the day/time doesn't work for your parent(s)/guardian(s), email Ms. Shier to request a different day/time. If meeting in person doesn't work, please email Ms. Shier to request an alternative setting. If your parent(s)/guardian(s) want to meet with a different teacher, they can email Ms. Shier to request that, but it is not guaranteed.

Step 3: Come at your appointment time and go over your slideshow with your parent(s)/guardian(s) and assigned teacher. Ask teachers for any feedback or questions.

If you have any additional questions about 11th grade SLCs, please contact Ms. Shier at hshier@davincischools.org.
